

## Horniman Museum and Gardens Bursary 2019- 2020

This bursary has been generously donated by a benefactor of the Horniman Museum for the purpose of funding learning sessions for schools. You can apply on behalf of your school to bring up to 3 classes from any year group for 3 x free of charge, 45 minute tutor led, interactive, curriculum linked sessions in the academic year (2019/20).

### Criteria: Your school must meet both criteria

1. Primary, Secondary and SEND schools with over 30% of its current pupils eligible for free school meals. We verify this using data available from the Department of Education.

### **and**

2. Primary, Secondary and SEND schools who have not benefitted from a **charged** or **bursary** subsidised session in the academic year 2018/19. In order to distribute the funds available fairly we are unable to offer a school a bursary on a yearly basis even if it is eligible to apply based on its pupil eligibility for free school meals. This applies to any year group from the school that may have visited for taught sessions in the academic year 2018/19.

We also offer a bursary for Alternative Provision (e.g. PRUs), please contact us to discuss.

Please complete this application form, stating why your school would be unable to visit without such funding and return it to us. Please be aware that this offer is limited due to the funds available.

Applications will be assessed based on the above criteria but will be strengthened by the accompanying information you provide.

Please email the form to [schools@horniman.ac.uk](mailto:schools@horniman.ac.uk) or send it by post to: Horniman Museum and Gardens, 100 London Road, Forest Hill, London, SE23 3PQ. A member of the Schools Learning Team will be in touch as soon as possible to let you know the outcome of your application.
