

Explore and Discover Map

Go on an adventure and use your senses to explore our Gardens.

These are some of our favourite spots, but you might discover some of your own!

Play... I Spy or maybe just roll down the hill?

Touch... natural materials, make some art.

Listen... to sounds of people and nature.

Smell... different plants to compare their scents.

What did you do in:

Spring

Summer

Autumn

Winter

I saw ...

Look

- Did you measure your shadow using the sundial on the hill?
- Is it longer or shorter at different times of the year?

I heard ...

Listen

- What did you hear in different parts of the Gardens?
- Where was the best place to hear birds/insects/wind?

I touched ...

Touch

- Did you touch anything prickly/smooth/lumpy/furry?
- Take off your shoes and feel the grass between your toes.

I felt ...

Relax

- Find somewhere to sit or lie down, close your eyes if you want.
- Try not to chat and think about what's around you.

I played ...

Play

- Hunt for natural treasures (conkers or leaves) on the ground
- Make up a story about the animals you see in the Gardens

I smelt ...

Smell

- Gently rub a leaf between your fingertips, then bring them up to your nose. What can you smell?
