

## Human Remains: Europe

ID NUMBER	NAME	PLACE	DESCRIPTION	MATERIALS	SOURCE
9.865	Homo sapiens	Bampton, Oxfordshire, England, UK	Right human clavicle	skeletal material; human bone	Bridgman, Fred, J., Mr: donor
9.870	Homo sapiens	Bampton, Oxfordshire, England, UK	Portion of human sternum	skeletal material; human bone	Bridgman, Fred, J., Mr: donor
9.875	Homo sapiens	Bampton, Oxfordshire, England, UK	Left navicular, left metatarsals III and IV, right metatarsal IV. Metatarsals show early stage of arthritis	skeletal material; human bone	Bridgman, Fred, J., Mr: donor
NH.74.6.204	Homo sapiens	Canary Islands, North Atlantic	Fragmentary archaeological human remains	skeletal material; human bone	Baldwin, Stuart A.: donor
NH.74.6.205	Homo sapiens	Canary Islands, North Atlantic	Fragmentary archaeological human remains	skeletal material; human bone	Baldwin, Stuart A.: donor
NH.A3084	Homo sapiens	Canary Islands, North Atlantic	Broken right and left femori, broken right humerus, partial right rib, right ulna, left radius, right patella, phalange, 6 vertebrae	skeletal material; human bone	Baldwin, Stuart A.: donor
9.850	Homo sapiens	Cirencester, Gloucestershire, England, UK	Right human patella	skeletal material; human bone	Bridgman, Fred, J., Mr: donor
9.267	cinerary urn	Denmark	Hand-made pot of coarse clay, crudely decorated with incised lines containing human remains. Taken from a tumulus in Denmark. Viking.	ceramic	

<b>ID NUMBER</b>	<b>NAME</b>	<b>PLACE</b>	<b>DESCRIPTION</b>	<b>MATERIALS</b>	<b>SOURCE</b>
1794	Homo sapiens	England, UK	Human cranium and mandible with persistent frontal suture and missing teeth and damaged right coronoid process.	skeletal material; human bone	unknown: vendor
27.409	Homo sapiens	England, UK	Cranium and mandible of a human child	skeletal material; human bone	Gerrard & Sons: vendor
9.709	bracelet	England, UK	Bracelet made of woven and coloured human hair.	human hair	Morten, Alfred: previous owner; Morten Bequest: donor
9.883	Homo sapiens	England, UK	Right human patella	skeletal material; human bone	Bridgman, Fred, J., Mr: donor
nn16095ii	denture	England, UK	Denture made from hippopotamus ivory and human teeth.	bone; hippopotamus ivory; human tooth	
29.242	Homo sapiens	Europe	Human cranium and mandible of 16 month old child, showing deciduous dentition. Mandible attached with one spring, right-hand-side spring missing.	skeletal material; human bone	Gerrard & Sons: vendor
29.243	Homo sapiens	Europe	Cranium and mandible of child of about 9 years old, showing emerging permanent dentition. Mandible attached with springs.	skeletal material; human bone	Gerrard & Sons: vendor
NH.A3031	Homo sapiens	Europe	Human cranium and detached mandible	skeletal material; human bone	
22.153	Homo sapiens	Great Casterton, Rutland, England, UK	Human braincase only. Has been repaired/reconstructed	skeletal material; human bone	Crowther Beynon, V. B.: vendor
nn3288.2	human remains	Greece	Human remains contained within hydria.	human remains	

<b>ID NUMBER</b>	<b>NAME</b>	<b>PLACE</b>	<b>DESCRIPTION</b>	<b>MATERIALS</b>	<b>SOURCE</b>
nn3289.2	human remains	Greece	Human remains contained with a cinerary urn.	human remains	
nn3301.2	human remains	Greece	Human remains contained within cinerary urn.	human remains	
nn3317b	human remains	Greece	Contents of Cinerary Urn: Human remains.	human remains	
NH.0.176	Homo sapiens	Hampshire, England, UK	Lower human molar	skeletal material; human bone	Cooper, John: collector; Baldwin, Stuart A.: vendor
NH.74.6.147	Homo sapiens	Holton, Suffolk, UK; Europe	Arm of a human (Homo sapiens).	skeletal material	Baldwin, Stuart A.: vendor
21.10	Homo sapiens	Italy	Human cranium and mandible attached by springs	skeletal material; human bone	Horniman, Emslie John: donor; Gerrard & Sons: vendor
21.10A	Homo sapiens	Italy	Human cranium and mandible attached by springs	skeletal material; human bone	Horniman, Emslie John: donor; Gerrard & Sons: vendor
21.11	Homo sapiens	Italy	Human cranium and mandible attached by springs	skeletal material; human bone	Horniman, Emslie John: donor; Gerrard & Sons: vendor
21.12	Homo sapiens	Italy	Cranium of an adult female human in sagittal section.	skeletal material; human bone	Edward Gerrard & Sons: vendor; Horniman, Emslie John: donor
21.13	Homo sapiens	Italy	Human cranium and mandible. Many of the teeth lost during life, leaving large gaps in the alveolar surface of the maxilla	skeletal material; human bone	Horniman, Emslie John: donor; Gerrard & Sons: vendor
21.24	Homo sapiens	Italy	Human cranium and mandible attached with springs.	skeletal material; human bone	Edward Gerrard & Sons: vendor

<b>ID NUMBER</b>	<b>NAME</b>	<b>PLACE</b>	<b>DESCRIPTION</b>	<b>MATERIALS</b>	<b>SOURCE</b>
21.9	Homo sapiens	Italy	Human cranium and mandible attached by springs	skeletal material; human bone	Horniman, Emslie John: donor; Gerrard & Sons: vendor
NH.A3030	Homo sapiens	Italy	Human cranial vault	skeletal material; human bone	
nn3298.2	human remains	Italy	Human remains inside cinerary urn. Ancient Roman.	bone; stone	
nn3299.2	human remains	Italy	Bones, content of cinerary urn. Ancient Roman.	bone	
NH.0.129	Homo sapiens	Kent, England, UK	Right tibia of a Human (Homo sapiens).	skeletal material; human bone	Baldwin, Stuart A.: previous owner; Cooper, John: previous owner; Gurr, P.R.: previous owner
9.853	Homo sapiens	Kidlington, Oxfordshire,	Human cranium and partial face, bad teeth. Persistent frontal suture	skeletal material; human bone	Bridgman, Fred, J., Mr: donor
26.118	Homo sapiens	Leipzig, Sachsen, Germany	Human Cranium and mandible, attached with springs and with anterior dentition missing.	skeletal material; human bone	Wallack, Hy., Mr: vendor
28.170	Homo sapiens	Lincolnshire, England, UK,	Human mandible	skeletal material; human bone	Crowther Beynon, V. B.: donor
NH.74.10.1b	Homo sapiens	London Borough of Croydon, Greater London, England, UK	Fragments of cleaned human bone found by machine during excavation of trench 7, section 2, Kenley	skeletal material; human bone	
NH.74.10.1c	Homo sapiens	London Borough of Croydon, Greater London, England, UK	Fragments of cleaned human bone found by machine during excavation of trench 7, section 2, Kenley	skeletal material; human bone	

<b>ID NUMBER</b>	<b>NAME</b>	<b>PLACE</b>	<b>DESCRIPTION</b>	<b>MATERIALS</b>	<b>SOURCE</b>
NH.74.10.2i	Homo sapiens	London Borough of Croydon, Greater London, England, UK	Fragment of cranium	skeletal material; human bone	Baldwin, Stuart A.: previous owner
NH.74.10.3	Homo sapiens	London Borough of Croydon, Greater London, England, UK	The contents of one box of processed human bone from an archaeological dig.	skeletal material; human bone	
NH.74.7.2a	Homo sapiens	London Borough of Lambeth, Greater London, England	4 right femori, 2 left femori, 3 right tibia, 6 left tibia of a Human	skeletal material; human bone	Baldwin, Stuart A.: previous owner; Baldwin, Stuart A.: donor
NH.27.83	Homo sapiens	London Borough of Southwark, Greater London, England, UK	Cranium of a human.	skeletal material; human bone	L. C. C: donor
18.5	Homo sapiens	London, England, UK	Human cranium and mandible wired together. Orbit rims painted white. Teeth good but worn.	skeletal material; human bone	Roberts, J. H.: donor
18.6	Homo sapiens	London, England, UK	Human cranium and mandible in fragile and friable state	skeletal material; human bone	Moody, James, Sir: donor
2018.4	figure (art)	London, England, UK	Mixed media sculpture titled 'Tattooed Memory' by Temsuyanger Longkumer. The sculpture contains a Naga wool shawl given to the artist on his graduation is incorporated into the piece. The work was exhibited at the Royal Academy in 2014.
